ABOUT MICHAEL

Michael has spent over 40 years working in the field of education and with children of all ages. He was a certified PA teacher and has taught in preschools, all levels of the Public School System, as well as several Community Colleges.

He brings a lifetime of educational experience, combining it with his talent as an entertainer, magician, and puppeteer. He has performed all over the NE United States and on the Royal Caribbean Cruise Line.

He has taught and entertained thousands upon thousands of children and he loves sharing his unique gifts with others and would love to come to your school to present one of his programs.

We had The Amazing Magi at not one, two, or three but all four of our Back-to-School Bashes, and he was amazing. The kids loved it and he was a huge hit! Thank you, Michael.

The children will learn that our nation is made up of people who came from all over the world. We are a nation of many colors, of many languages, and of many cultures. But we are all part of the American Story.

“

We booked Michael, The Amazing Magi, for two different shows. He did his Keys to Character Program and he also did his American Story Program. Michael was a great hit. The show was high energy, tons of fun, but also filled with valuable content and teaching moments. We will definitely have him back.

ONE WORLD, MANY STORIES

We live in a world that is made up of people that live in many different places. We don't all look alike. We don't all talk alike. But we are all part of one human race, part of one world. This is a fun-filled, energy packed show that embraces various cultural differences from around the world, and each and everyone of them is special.

No child should be ashamed of their skin color, their cultural heritage, or the way they speak. What better way to talk about how we can be both different and similar. Magic is a universal language. The magic of this show lifts up and celebrates various cultural stories as the children watch flags appear out of nowhere, funny puppets getting confused, flowers appear, and disappear, and so much more. This show emphasizes how each and every person is special and unique.

“

This show was AMAZING. He held a room filled with 399 children ages 5-9 and had their complete attention for 40 minutes. They laughed and had so much fun. We also appreciated the lessons that were taught in the show. We will be having him back. Thank you Mr. Mike.

THE STUDENTS REWARDS MAGIC SHOW PROGRAM

This show is exactly what it sounds like. Over the many years as Michael has been doing school assembly programs, certain schools have asked him for “just a fun magic show” as a reward to the students. This is that program. It is age appropriate, and just filled with high energy fun, amazement, and laughter. So if you want to reward your students, this is the program for you!

The Amazing Magi was a great experience. Our summer camp children really enjoyed it. Mike kept the campers entertained during the entire show. Campers requested him to come back next year. He entertained campers from K-6th grade.

THE MAGIC FUNDRAISING SHOW

THE MAGIC FUNDRAISING SHOW

Many years ago, Michael became deeply involved with Habitat for Humanity. He then started to organize magic shows each year to raise money for the organization. Out of this was born The Magic Fundraising Show.

This is a large scale Magic and Variety Show that is generally held on an evening or a weekend. If you have never done anything like this before, don't worry. Michael comes out and meets with your team to personally coach you and guide you to maximize success. He also leaves you with a fundraising guidebook which will help you to maximize the profits from the show. He stays in constant communication with your team via phone, email, and/or Zoom.

The Amazing Magi is a great asset to his community and is a very entertaining magician. His willingness to help organizations raise funds for their missions is an example of his kindness and generosity. He is a great showman and the audiences really enjoy his performance. Mike's work with Habitat for Humanity of Berks County was essential when growing financial support to build homes in our community.
